2021 Kerr Rued Vineyard Chardonnay

SONOMA COAST, CA

94 pts - James Suckling

ABOUT THIS WINE:

The 2021 Chardonnay from Rued Vineyard has a captivating, complex nose of chamomile, quince, crushed white rocks, pastry flour, and delicate pear.

The palate is full and weighty, yet light on its feet with quince, Jordan almond, chamomile, and a hint of lemon zest—all balanced with lovely texture and acidity.

This wine continues to evolve in the glass, indicating the ability for near-term enjoyment or additional cellaring.
